SEEK is Kentucky's main funding formula for P-12 public education, combining state and local dollars. This overview shows inflation-adjusted figures, illustrating how buying power has changed in recent years. The Council for Better Education offers versions of this report for each district and for the state as a whole at [www.kycbe.com](http://www.kycbe.com). Versions without the inflation adjustment are also available. These reports reflect data from [education.ky.gov](http://education.ky.gov) and inflation rates from [bls.gov/data/inflation\\_calculator.htm](http://bls.gov/data/inflation_calculator.htm).
