SEEK is Kentucky's main funding formula for P-12 public education, combining state and local dollars. This overview shows inflation-adjusted figures, illustrating how buying power has changed in recent years. The Council for Better Education offers versions of this report for each district and for the state as a whole at www.kycbe.com. Versions without the inflation adjustment are also available. These reports reflect data from education.ky.gov and inflation rates from bls.gov/data/inflation_calculator.htm.
